

Barry Clark (#3257) wrote to add to the list of International Harvester Perfans that were shown in the September 1996 issue (Pages 153-156). His contribution is on page 4.

---

Page 3.

Germany

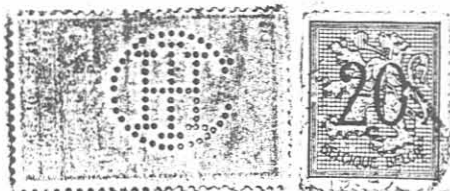

Argentina used I.H.C.

Denmark

So did Brazil

Belgium

and Uruguay

Czechoslovakia

Switzerland

plus South Africa.  
and don't forget Romania, which also used "H&C"  
Harvester and Company.

In addition Australia used no less than 9 C(IH)  
and 18 varieties of IH or IHC.

And I still want one from Great Britain.
